- Healthy lifestyle & diet counseling

## Cost:

- Initial visit with medical provider- \$175
  - \$600/month for doses 2.5-5.0mg
  - \$675/month for doses 7.5-10.0mg
  - \$750/month for doses 12.5-15.0mg
- Recurring auto-charge includes medication and in-office once monthly check in
- Optional add-on: MIC & B12 injections to increase metabolism and energy- \$30 per injection, or \$100/month

## Now Offering - a new medical weight loss program including:

- Tirzepatide, a once weekly injectable medication that works by mimicking the glp-1 hormone released in response to eating, prompting the body to produce more insulin & reduce blood sugar levels.
- Helps suppress appetite and signal full feeling in brain.
- Many patients report weight loss when combined with diet and exercise.

## Promotional Discount

- Refer a friend and you will both receive \$100 off your second monthly charge
